

QUIZ & RUN – Clever action !

1/2

... The free knowledge and fun app for children
and adults who love quizzes

What is „Quiz & Run“ ?

Quiz & Run is a child-friendly educational game that combines **general knowledge** with **action-packed movement**. Exciting quiz questions and images from various fields of knowledge are combined with a fun and dynamic jump-and-run level game.

Learning and playing merge seamlessly. The **very easy operation** means there is no frustration or overwhelm. Ideal for schoolchildren from 3rd grade onwards and parents who love playful education.

Key information about the gaming app

Quiz & Run is a **free trivia game app** for smartphones and tablets, currently available in four different, standalone **language versions**. It is available for both Apple iOS and Android.

Once downloaded and installed from the App Store, it can always be played offline – **no internet connection required!** It contains **no advertising or violence** and does **not require registration**. Just start playing and have fun!

Although the game controls are **self-explanatory** and super easy, it **includes extensive game features**: in addition to hundreds of interesting quiz questions and great pictures, there is also a knowledge history, selectable game characters, and a career menu. For frequent players, there's even a standalone pro app available.
